

SVTOA Toronto

Meeting Minutes for March 18, 2010

Attendees: Craig, Andy L., Laura, Iain, George, Dave, Bert, Rick, Stacey, Ron W., Joanne, Alex, Paul, Daniel, Richard, Al, Nigel, Dave Pulford (new member)

A Board Meeting was called to set out the 2010 Events Calendar and discuss the AGM, but as the members arrived early for the 7:00 meeting, the Board meeting just flowed into the regular meeting.

2010 Events

See list below Meeting Minutes

New Member, Dave Pulford was introduced to the group.

Performance World – March 12, 13, 14

- Was a big disappointment
- Fewer participants and low public turnout probably due to admission (\$20) and entry fees (\$30)
- The general consensus is that if the 2011 Show has the same poor results, it may mean that SVTOA will not participate in future shows.

2010 Annual General Meeting (AGM) – Sunday, May 2nd

- 2010 Membership Fees will be \$75 to renew and \$100 for new members.
- We'll have a Members List Opt-In section on the 2010 Membership Application Form for those members wanting to be included/identified on a SVTOA – Toronto hardcopy list (Name, Email, Phone Number and Car).
- Perhaps have a Mini Show & Shine at the AGM
- have a Chinese Raffle or Timmy's gift cards
- introduce the 2010 Executive;
Craig Read – President
Andy Laquerre – Treasurer
Dave Matthews – Secretary
Bert Kalio – Events Coordinator
Daniel and Paul – Board Members-At-Large
- Cheque-signing authority to be transferred to Craig and Dave with Ted

SVTOA Toronto

CSC affiliation with CASC – April 11th

- Are asking for clubs to participate and self-promote their club.

Winter Party after Christmas

- The 2010 Party was a success and members feel it is well-timed after the Christmas rush.
- Craig will contact Minish to book Saturday, February 5th 2011 for the next one.

Richard and Dave will look at ways to streamline the group e-mail distribution list.

Dyno-Day

- Is there any interest in a Dyno-Day this year?
- Not too many members have made changes to their vehicles since the last dyno-day.
- Maybe we could tag along with GTAMC when they have theirs? We could go back to Markham Performance in Kitchener – would need a minimum of 10 cars.

April Meeting

- There will be no meeting in April because of the AGM on May 2nd.
