Welcomed Everyone

The Trillium Tour

- Robert Tanner from Muskoka joined us to talk about an event he is putting together next year
- It is a weekend driving event throughout Muskoka with food, etc. provided by Delta Grandview Resort
- The event is benefiting Chrysalis
- Details will be posted on our website once available

2007 SVTOA Redline Rendezvous On Track Event

- We advised members as to where we are headed with the on track
- With Ian Law, it would be a single day track event at the Mosport Driver Development Track (DDT)
- We do also do one of his car control schools as well so it would be a two-day event; however, it probably won't be on the same weekend.

Membership Dues

- We advised of new membership structure
 - New Memberships: \$40 (includes their club Obsession Shirt) and all other goodies
 - Renewals: \$30 and they will get all the other goodies (already have a shirt)
- We will do a membership renewal drive at the Christmas Party

Club Merchandise

- We will be selling the "Obsession" club shirts \$25.00 for members and \$30.00 for non members

Club Wear

- In order to make our club look professional when we are at an event, we want to impose a "dress code"
- It is mandatory to wear a club shirt at all public events that we attend as a group
- A club hat is not sufficient
- Performance World – the grey "Obsession" shirts must be worn
- If there are other events that a specific item is necessary we will advise members

Sponsorship

- We have revamped our membership packages
- If members would like to have copies of these to approach potential members please let us know

Member Support

- We discussed the need for support.
- Suggestion was made that when we are organizing an event that we send out an email to the members telling them what we are looking for specifically for that event and see if that helps in getting volunteers

Christmas Party

- Went over details of the party

Events

- Reviewed balance of events for the year
- We will be incorporating some of the new items discussed at our last meeting into the calendar
 - Just a reminder if you come across an event to let us know and we will try to fit it into the schedule. Once the calendar is set it is not always easy or possible to change things because of the busy schedule we have and having to work around holidays etc. We will do our best but the more notice we have of an event the better we may be able to fit it in.
