0-60 Update

April is getting off to a great start. After a very brutal winter, we bet many of you are getting your fast Ford out of hibernation and ready for another season of driving safe and having fun.

Thanks to everyone who joined up and/or renewed with SVTOA-Toronto for 2008. Our new integrated membership system has been a roaring success! We even had some members take advantage of our CASC-

ON-integrated credit card payment option as well. It's great to see all of you on board for another fast and fun-filled year with our club.

On the National front, SVTOA has been reborn (see below). You may get a notice from SVTOA National about renewal. If you receive such a notice, please let us know as soon as possible.

SVTOA-Toronto Chapter membership kits will be available for pick-up at our

Annual General Meeting (AGM) on April 20th at Dixie Ford. It's an excellent chance to take out your fast Ford and see what's new with your chapter. We look forward to seeing a lot of new and familiar faces at our AGM.

Anyhow, it's time to get behind the wheel and enjoy the 2008 motoring season. Drive safe, and have fun!

Richard Lee
Member Recruitment Officer

SVTOA Reborn

Above: To celebrate our new leadership and our 15th anniversary, our NEW SVTOA logo was just unveiled on the SVTOA National website (www.svtoa.com).

Ford has now found a new, SVT-focused club leadership and awarded exclusive rights to the operation of the SVTOA for the remainder of 2008 and beyond. People who know and love the SVT brand of Ford performance are being charged with delivering your high-octane club experience.

Thanks to all the members and dedicated chapter and regional directors who had supported our efforts to re-launch the club for 2007. Our well-connected new leadership has earned us a spot on the newly created Ford Performance Group program (see the SVTOA section on www.fordperformance.com). SVTOA is proud to be one of only a handful of clubs in the WORLD to be recognized by Ford Motor Company.

On The Move – 2008 Performance World Coverage

**PERFORMANCE
WORLD
CUSTOM CAR
& TRUCK SHOW**

Top: SVTOA-Toronto on display at this year's Performance World
Right: Just a sample of some of the outstanding rides on display at Performance World.

The 44th annual Performance World Custom Car & Truck Show is a 3-day automotive extravaganza. Featuring over 600 show cars and trucks and more than 250 exhibitors, this show covers over 350,000 square feet. Custom Cars & Trucks compete for cash and awards.

Complementing this year's show was the Darknights Salon, a live hot-rod build, and the NASCAR Canadian Tire Series.

SVTOA-Toronto was in full-force at this year's show. Once again, our display represented the diversity of vehicles under our club banner:

- ≡ 1993 Ford Mustang LX 5.0L – Craig R
- ≡ 1999 Ford Contour SVT – George H
- ≡ 2001 Ford Mustang SVT Cobra Convertible – Sylvester K
- ≡ 2007 Ford F-150 Harley-Davidson – Paul S

Thanks to all our members, friends, and families who dropped by our booth to say hello. Special thanks to go all our volunteers who manned our booth and made this year's display a success. We also like to thank our members who put their prized vehicles on display to show their passion for the Blue Oval.

See you at the 2009 show!

Right: George takes a few shots of his Contour SVT before the show begins.

YOUR RENDEZVOUS AWAITS – JULY 11 TO 13, 2008

The 8th Annual SVTOA Redline Rendezvous On Track event is set for July 11th to 13th, 2008. We are returning to the Mosport Driver Development Track in Bowmanville, Ontario.

SVTOA On Track events are performance driving clinics held across the United States and Canada. Professional instructors provide in-class training and individual coaching on a road course. The aim is to help you develop your driving skills for both on the track and on the street. You also get the opportunity to get to know the limits and potentials of your vehicle with a guided hand.

The Redline Rendezvous is open to all enthusiasts. Join us for a weekend of fun and learning.

Pricing Information (until June 1/08)

Weekend:	\$350
Weekend Team Sharing:	\$425
Single Day:	\$190
Single Day Team Sharing:	\$230

This event is hosted by the SVTOA Canadian. Event is sponsored, in part, by:

DIXIE FORD

Celebrate 15 Years With SVTOA All-Ford Nationals Carlisle, PA USA June 6 to 8, 2008

It has now been 15 years since the Ford Special Vehicle Team entered the new car market, so to commemorate a great decade-and-a-half of SVT-badged high-performance Fords, the SVT Owners Association is teaming with Carlisle Productions and Ford Motor Company to host an SVT 15th Anniversary Reunion at the All-Ford Nationals in Carlisle, PA, on June 6th, 7th and 8th. The SVTOA is calling all SVT vehicle owners to join club members in a special display area to include every SVT vehicle -- from SVT Mustang Cobras and GT500s to SVT F-150 Lightnings, plus the SVT Contour and SVT Focus -- even the SVT-engineered Ford GT supercar!

Register your SVT vehicle and be a part of a large national gathering of SVTs from around the country! The cars will be assigned to various classes of stock and modified and participant balloting will determine First, Second and Third place for each class. Awards will be given to class winners and other selected awards will be a part of this event. What's more, the SVTOA will have special giveaways all weekend, and has invited some key past and present SVT engineers and program managers to meet for a Q & A session that you won't want to miss.

So join the SVTOA and its members in celebrating the longest-running, best-selling, most successful niche performance vehicle program in Ford's 100-plus year history and show your Ford SVT vehicle at Carlisle 2008! Registration is \$40.00 in advance and will be available at the event, but note that all registration fees will increase \$10 after May 19, 2008, so save by registering early. Plus, attendees who pre-register are eligible to receive a \$5 coupon toward the purchase of Official Carlisle Events Apparel -- including 2008 All-Ford Nationals merchandise. (Coupons will be issued at the show when you pick up your show field credentials.) The All-Ford Nationals is among the biggest and best Ford gatherings on the planet, with a massive show field, huge aftermarket parts & accessories manufacturers' midway, plus hundreds of other vendors with a variety of parts and accessories for sale. There are also hundreds of Ford & Lincoln-Mercury vehicles for sale in the corral, special events like beauty & burnout contests, plus rock crawling, a great food court and much, much more. Don't miss it! Visit www.svtoa.com for details.

DIXIE FORD

2003-04 Mustang Cobra Upgraded Polished Supercharger Kit for Aftermarket Throttle Body (M-6066-CT46PHP*)

For only \$6,450, you can add a LOT more ponies to your 2003-04 Cobra. Designed by both Ford Racing and Whipple engineers, this kit (which includes supercharger, supercharger inlet, manifold adapter plate and hardware kit) is for use with most aftermarket single blade oval bore throttle bodies. You also get 60 lb. injectors, upgraded fuel management system, boost pump, SCT Tuner, and an SCT 450-700 RWHP MAF.

Please note this kit requires PCM, fuel pump and MAF meter upgrades. Installation of this kit will void your new vehicle engine warranty.

Pick this exclusive kit up at the Dixie Speed Shop. Call Steve Johnson or Mike Heath at (905) 629-1711.
